"CHART has always supported up-and-coming talent and particularly by promoting the exploration of cross-overs in art, architecture, music, design and gastronomy through its CHART SOCIAL program. With the opening of CHART DESIGN - THE CURIO and CHART EMERGING we are focusing on new talent even more this year, which also extends to this year's CHART GRAND OPENING CONCERT," says Simon Friese, Director of CHART ART FAIR.

During the CHART GRAND OPENING CONCERT some of the best restaurants in Copenhagen will serve food and drinks to visitors from the architect-designed pavilions in the courtyard of Kunsthal Charlottenborg. The pavilions are designed by the 6 finalists of the CHART ARCHITECTURE competition and created by young architects who will be judged by a jury led by Bjarke Ingels during CHART. The pavilions will house ABSOLUT, Barbie, Condesa Bar & Spiseri, L'Esprit du Vin, Space 10 and The Union Kitchen.

The CHART GRAND OPENING CONCERT marks the opening of CHART. The Art Fair has established itself as the leading art fair in Scandinavia and an important international platform for contemporary art since its inception in 2013.
