DETAILS ANNOUNCED: CHART ART FAIR 2016
26 – 28 AUGUST

CHART ART FAIR 2015

The 4th edition of CHART ART FAIR is the most ambitious to date, with an expanded gallery list, the introduction of CHART DESIGN, and an extensive programme of talks and events.

CHART ART FAIR, the leading Nordic contemporary art fair, returns to The Royal Danish Academy of Fine Arts' Kunsthall Charlottenborg in Copenhagen for its fourth edition from August 26 – 28, 2016. Since its inception, CHART has established itself as the international platform for contemporary art in the region.

CHART breaks with the traditional fair format by carefully curating the galleries' artwork and presenting everything in unison as an exhibition, in the halls of Kunsthall Charlottenborg. The selection and curation is realised by the five founding galleries based in Copenhagen: **Galleri Susanne Ottesen, Galleri Bo Bjerggaard, V1 Gallery, Andersen's Contemporary** and **David Risley Gallery**.

This year 28 of the leading galleries from the Nordic countries (Denmark, Finland, Iceland, Norway, and Sweden) and 2 galleries based outside of the Nordic region, but originating from Copenhagen and Helsinki, have been invited to participate in the fair. **Belenius/Nordenhake (SE), Galleri Brandstrup (NO), Croy Nielsen (DE), and Helsinki Contemporary (FI)** will exhibit at the fair for the first time.

The 2016 exhibiting galleries are:

Andersen's Contemporary (DK), Galleri Andersson/Sandström (SE), Andréhn-Schiptjenko (SE), Galerie Anhava (FI), ANNAELLEGALLERY (SE), Belenius/Nordenhake (SE), Galleri Bo Bjerggaard (DK), Galleri Brandstrup (NO), Christian Andersen (DK), Croy Nielsen (DE), David Risley Gallery (DK), Edition Copenhagen (DK), ELASTIC Gallery (SE), Galerie Forsblom (FI), Helsinki Contemporary (FI), Hverfisgalleri (IS), i8 Gallery (IS), Johan Berggren Gallery (SE), Galleri Magnus Karlsson (SE), Martin Asbæk Gallery (DK), Galleri Nicolai Wallner (DK), Niels Borch Jensen

CHART SOCIAL

CHART SOCIAL is a series of cultural events exploring the crossover between art, design, architecture, music, performance, and gastronomy, which will run for the duration of the fair, with events taking place at both Kunsthall Charlottenborg and in various other locations around the city. This year CHART is pleased to work with both private and public institutions, including the municipality of Copenhagen, to facilitate the CHART SOCIAL program, which is free of charge and open to the public.

CHART ARCHITECTURE

Each year students from leading Nordic architecture schools are invited to enter the CHART ARCHITECTURE competition. This year 6 finalists have been selected to design individual pavilions for the Kunsthall Charlottenborg courtyard to house the fair's restaurants and cultural partners. During the fair, a winning pavilion will be selected.

The students' submissions are judged by a committee including: Bjarke Ingels, architect and founder of BIG; Kristoffer Lindhardt Weiss, philosopher; Tom Emerson, architect and founder of 6a architects; Dorte Foss, architect; and Jamiee Williams, architect and artistic manager at CHART.
